Dedication

I dedicate this book to my Beloved Twin Flame. Our separation has been a long and enduring journey. However, it taught us that our Destiny is Divine Partnership, longing for reunion with you brought out the best in me.

And to my family, friends and lovers, Soul Mates who have blessed me by gracing my life with their presence, and the Karmic Partners who have crossed my path for lessons to learn and teach. Each of you has been the catalyst for my growth and spiritual development by helping me reconcile with my Higher Self in order to reunite with my Twin Soul.

Expressions of Gratitude to You.
I value our association.

Loving LaFaye

F oreword

Gems are hard to find, so I call it an honor and a privilege to have this opportunity to share this priceless treasure with you. I recently shared a divine connection with Author Loving LaFaye, who encouraged me to hold on to the Love of My Life. As one who places a very high regard on matters of the Spirit, and values my strong relationship with God, The Father, Son and Holy Spirit. I didn't take lightly allowing an Astrologer to speak into my life. But by the Spirit, I trusted Loving LaFaye, and soon learned that she was also a Christian. Loving LaFaye accurately confirmed my relationship with my now, Soul Mate & Twin Flame, at a very critical shift in our relationship. By the leading of The Spirit, Loving LaFaye accurately described our past, present and future with details of things to come. LaFaye confirmed everything I already knew through prayer, fasting and revelation.

Many Christians misunderstand and/or confuse the role of Astrology. I personally have studied and use Astrology & Numerology to supplement my faith and increase my learning. By faith and careful discernment, I firmly believe that they all work together for good for the building up of the Christian Faith.

I highly recommend the services of LaFaye to

those who are earnestly seeking God to confirm things in your Relationship, her Spirit will only increase your faith and confirm your direction. For a more detailed account of Soul Mates, and Twin Flames, I highly recommend Loving LaFaye's new book, *Twin Flames, Journey to Divine Partnership*.

Be Blessed in your Journey, Evolve in your Process...

Preface

“TWIN FLAMES : Journey To Divine Partnership” was written to be a "guide" to understanding how astrology plays a vital role in cultivating happy and healthy relationships through three spiritual relationship categories: Soul Mates, Twin Souls and Karmic Partners.

I use my personal relationships as concrete examples of the positive and negative of the journey to Divine Partnership and thereby highlight how Twin Flames can better enhance the journey.

There are many books and resources on this topic; however, my aim is to bring clarity to the manner in which astrology is most beneficial in determining one's spiritual relationship status.

This message was given to me by Creator/God/Source to share with you. Therefore, what I have written is divinely inspired.

I feel confident that you will enjoy this offering and find it personally empowering.

~Namaste

a few words from Loving LaFaye

I am a Sun, Moon, & Mercury Sagittarius, the sign of Optimism and Wisdom in the 3rd House of Communication. I have Libra on my Ascendant — also known as the Rising Sign. Libra is the sign of Balance & Harmony symbolized by the Scales; therefore, I thrive on fair play and equality and am partnership oriented.

Libra also rules the 7th House of Relationships & Partnerships. Thus it is suitable that I write this book about Divine Partnership. Our rising sign is our outward projection to the world which is a reflection of my efforts to speak and write about bringing harmony and balance to the manner in which we relate to our partners, as well as the importance of determining Astrological Relationship Compatibility.

I am Clairvoyant, Intuitive, and Empathic and it is my desire to use my Spiritual Gifts in Service to Humanity. My desire and Astrological Skills have allowed me to help others, on many levels, understand their personality strengths and weaknesses and energetic essence, as well as reveal their purpose for this incarnation in order to be in alignment with their destiny.

I give a variety of Readings from an astrological and spiritual perspective.

Your Birth Chart is the Map of your Soul and by reading/interpreting your chart, I understand your spiritual essence and can guide you to reconcile with it.

I help clients determine whether their relationships are a Karmic Partner, Soul Mate or Twin Flame union along with the potential of compatibility and viability within a new or existing partnership based on astrological aspects and spiritual connection.

I specialize in Personality Profiles & Relationship Compatibility Readings using Astrology as a definitive tool for gaining Insight & Clarity.

~Twin Flame Invocation~

“In the name of the Christ, I call to the blessed I AM Presence of our Twin Flames for the sealing of our hearts as one and for the victory of our mission to humanity. I invoke the light of the Holy Spirit for the consuming of all negative karma limiting the full expression of our divine identity and the fulfillment of our divine plan.”

The Summit Lighthouse

The Higher Self

The Higher Self

"I Am an Expression of GOD's Love, I Am Worthy as I Am, and I Am Valuable Just Being."

Your Higher Self is the God Spark within the center of your Soul — the soul self or inner child that is pure in essence and knows the “real” spiritual being you journeying through human experiences.

Your Higher Self is also referred to as your divine self because we are a part of the Divine Creator. It is always trying to raise us up from our lower chakras to our higher ones — from the root to the crown and balances them from our heart chakra, the center of our soul.

The chakra system is our ascension route and ladder to the higher self. no# Our higher self makes us aware of our own soul or rather that we are a living soul., It does this through our subconscious to our conscious mind.

The Higher Self is defined in Wikipedia as “... a new age concept associated with multiple belief systems, but it’s basic premise describes an eternal, omnipotent, conscious, and intelligent being who is one's real self.” Blavatsky, scholar of Theosophy and ancient wisdom literature, defines it as "Atma the inseparable ray of the Universal and One Self. It is the God above, more than within us. Each and every individual has a higher self.”

Twin Flames ~ Journey to Divine Partnership

We are a living soul with a higher self that remains conscious of who we are on a soul level no matter how low our vibration gets. It is there to lift us up if we trust the voice that tells us we don't have to be miserable and unhappy enduring karmic partnerships and we can return to our higher calling as divine beings.

“You are one thing only. You are a Divine Being. An all-powerful Creator. You are a Deity in jeans and a t-shirt, and within you dwells the infinite wisdom of the ages and the sacred creative force of All that is, will be and ever was.”

~Anthon St. Martaan

Our higher selves tell us good things about ourselves and that everyone has a good heart down within. On the other hand, the lower self is critical of self and others. The ego can only speak to our conscious mind. Therefore, our higher self is exempt of egoic tirades and always maintains our connection to God/Creator/Source.

Loving Lafayette

The Violet Flame

The Violet Flame

In the Self-Transformation process from the lower self to the higher self, the Violet Flame, or Fire, is a spiritual energy associated with the crown chakra. The Violet Flame can help to transmute karma, heal emotional and physical problems, improve your relationships, help you to grow spiritually or simply make life easier in general.

The Flame is the essence of a unique spiritual light coming from the violet ray. It is a radiant color of purity and rarity not found on the Earth's spectrum of colors. The Violet Flame emanates Divine Love and Light just as a ray of sunlight passing through clear glass sparkles brightly. There are seven colors of spiritual light split into seven "rays" — each of which has specific divine qualities. The Violet Flame comes forth from the violet ray, which has the qualities of Mercy, Forgiveness, Freedom and Transmutation.

“I Am a Being of Violet Fire. I Am the Purity God Desires!”

The Violet Flame is extremely beneficial for Twin Flames to invoke as it will aid in removing the karmic debris and obstacles that may stand in the way of their physical reunion.

Loving LaFaye

The following Affirmation is an example of how I've invoked the Violet Flame on many occasions when I felt at a distance of disconnect with my beloved twin soul — even though I didn't know him in the physical. Nevertheless, I knew he was seeking me as I was seeking him because our souls were and are always connected

“I send all misqualified energies and lack of love that hinders reunion with my twin flame into the violet flame for transmutation into unconditional love and qualified energy for our twin flame reunion.”

We can't go back in time and erase our past mistakes and accumulated karmic debt;, however, the violet flame has the power to erase, or transmute the action and reaction, cause and effect of our past mistakes. Transmutation means to alter in form or change in appearance. The Violet Flame changes our negative energy into positive energy and can alter our fate into opportunity. It takes spiritual discipline and diligence to invoke and utilize the Violet Fire and thereby reconcile with one's Higher Self.

Twin Flame Poetry

The Planets and Twin Souls

we've fought a long and bitter war
my Twin Soul and I...
lost and lonely, fallen angels,
exiled from a misty,
half-forgotten, galaxy of Stars
wounded cruelly by the painful thrust of Mars...
caught in Neptune's tangled web
shocked and torn asunder by the sudden,
awful violence of Uranus...
tortured by the clever lies of Mercury...
crushed beneath the icy weight of stern,
unyielding Saturn who
lengthened every hour into day, each day into a year,
each year into eternities of waiting scorched,
and nearly blinded by the Sun's exploding burst of
arrogance
and pride as Eve & Adam, stilled and helpless,
deep within us cried...
still we fought on in unrelenting fury
striking blow for blow...driven by the pounding drums
of Jupiter's giant, throbbing passions

Twin Flames ~ Journey to Divine Partnership

stumbling at the precipice of the Moon's enticing madness,
to fall at last in trembling fear before the threat of
Pluto's ominous, tomb-like silence
consumed by inconsolable sadness, and the bleakness of
despair
we bear the wounds and scars of furious battle
I and my Twin Soul...
but now we walk in quiet peace
with all our scattered pieces whole
together hand in hand...full serpent circle
back into the Pyramid shaped rainbow
of tomorrow's brighter Eden crowned by
gentle Venus with the Victory of Love
that did not die but has survived the night of
selfish seeking to wait for morning's soft forgiveness
and the dawn of understanding

~Author Unknown

when i think of you

i am missing touching you
as i did a million aeons ago
when we had wings

you seem so far away
though you are here with me
and i listen to the song of remembrance
as my Soul does sing

a billion light years apart
is nothing at all to me
for your luminescent loving beauty
still resides in my light within i see

no sorrow here my dear
nay, i shall never it embrace
for the grandeur of Love's beauty
is eternally etched upon your face

so, i thank you for the Fire
of inspire...ation
and the magnificence of elation
i feel
when i think of you

the resplendent joys of anticipation
have long over come any dismal thought
for you are all that i wished for
all i ever sought

Twin Flames ~ Journey to Divine Partnership

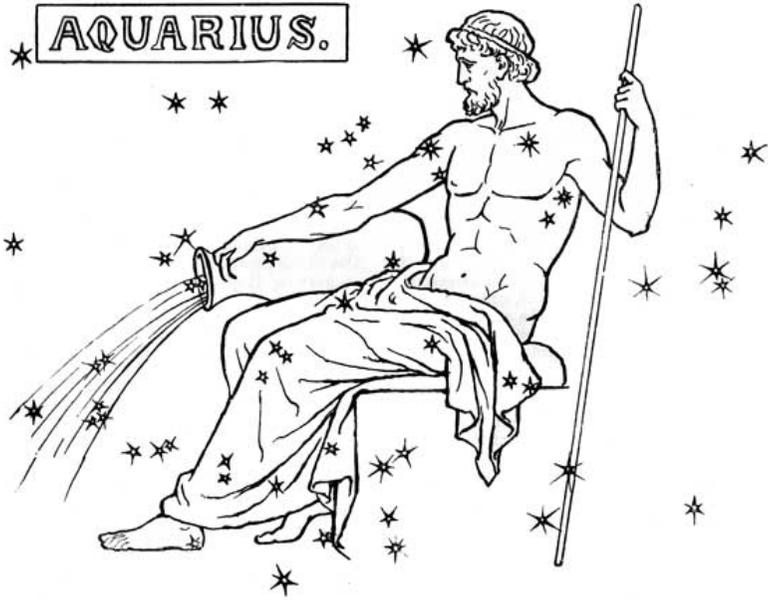

so i am dancing in the garden
where butterflies reflect their Holy sun
and i observe the movement of stillness
and the metamorphosis of goodness i become

like a child in the Cosmic Sandbox
i build Castles as i so deem
and with a Smile and Holy Tear
i actualize the Dream

when all of our essences'
is the all of what we be
as we shine brightly as one
energy, that all may clearly see

. . . when i think of you

Twin Flames ~ Journey to Divine Partnership

The Age of Aquarius

The Age of Aquarius

We have dawned the New Age of Aquarius which will last approximately 2,160 years as it takes the Earth that duration to complete an astrological age.

Aquarius, represented as the Water Bearer pouring God's Spirit over Humanity, rules the 11th House of the Zodiac Karmic Wheel. It is the house of Friends, Hopes, & Wishes... On it's highest level, this house represents the harmonious working together of all people, each one doing what best expresses his/her individual personality. It is also the house of Idealism, Vision, and Humanitarian Causes, — these characteristics are an indication of what the Age of Aquarius will be like.

Divine Partnership is the prototype for the New Age and these partnerships are made of soul mates and twin souls that have come together to aid humanity in the cosmic shift of leaving the Piscean Age and entering the Age of Aquarius, as they lead the way to fulfill their mission to Serve Humanity. As co-creators, Twin Flames will restore Paradise on Earth and their unconditional love for one another will spread over all humanity. They represent a new paradigm of partnership and a spiritual marriage of souls.

So much has been prophesied about the New Age. However, the outcome is determined by how successful those of us who are light workers are in raising the vibration of the planet. The transition of moving from the third dimension of duality into the fifth dimension of oneness is being met with opposition.

Twin Flames ~ Journey to Divine Partnership

Nevertheless, the ascension process has accelerated enabling us to do more than ever before.

The Current Cosmic Events of planetary transits are aiding us as well, especially the outer planet transits of Neptune in Pisces for our Spiritual Enlightenment, and marks the return of the “Christ Consciousness, Uranus in Aries, and Pluto in Capricorn which are squaring one another and making seven exact squares total that mark significant Change and Transformation on Earth. I wrote the following article about it on June 24, 2012.

She earned her certification in Astrology / Parapsychology in 2003. She has also taken other courses and participates in astrology workshops to enhance her astrological skills.

Twin Flames ~ Journey to Divine Partnership

LaFaye obtained an A.A. Degree in Business Administration in 1991 and studied Paralegal Technology in 1995. She considers herself a Spiritual Entrepreneur and has combined her formal education and Astrological Skills, along with her Intuitive Insights, to develop her own brand of Reading the Stars. She practices Spiritual Astrology for Soul Growth. Her passion for Astrology is based on her own personal experience when she had her birth chart done in 1995 — reviewing her chart enabled her to gain clarity on her life's direction and destiny.

While studying her birth chart, LaFaye discerned how to cultivate the positive aspects it revealed, as well as how to overcome the negative ones. Becoming aware of and acknowledging those traits were most empowering for her, and motivated her to help others in the same way.

As a consequence her Spiritual Journey to “Know Thyself” began. Her spiritual path, via Astrology, reconciled her with her spiritual essence.

This reconciliation enabled LaFaye to move past childhood trauma and adult drama, moving from inner turmoil to inner peace while embracing her inner child. She learned to love herself unconditionally and was therefore able to love others in the same manner, — which is why she began calling herself Loving LaFaye.

Loving LaFaye

Her intentions to serve are based on Love.

Loving LaFaye offers her clients a Spiritual approach to Astrology because she believes "Your Birth Chart is a Map of your Soul.". By reading your chart, she understands your spiritual essence and can guide you to reconcile with it. She helps her clients determine whether their relationships are a Karmic Partner, Soul Mate, or Twin Flame union as well as become aware of the potential of compatibility & viability within a new or existing partnership based on astrological aspects and spiritual connection.

She specializes in Personality Profiles w/Birth Charts & Relationship Compatibility Readings using Astrology as a definitive tool for gaining Insight & Clarity! She also gives Karma & Star Card Readings using her gifts as a Clairvoyant Intuitive Empath to advise on how to overcome challenging situations or make lifestyle changes, and she offers guidance for those who desire insight into their daily living in order to prosper and become more successful in Relationships, Career and Finances.

Loving LaFaye

Loving LaFaye's intuitive gifts are remarkable and she has predicted personal things for me that I have seen come to pass. Her gift in Astrology is amazing. Loving LaFaye's understanding of her craft is like none that I have ever known. She has been such an inspiration to me and countless others, especially those who are conflicted by love. I want to personally thank her for the in-depth reading that she provided for me. I'd also like to thank her for her ability in explaining what each term meant; as they were like a foreign language to me in the beginning. Her ability to make the 'common man' understand is genius. I honor the God Essence in her and for being a willing vessel. I recommend her services and happily endorse her gifts, as she has made my life and the world a better place.

Thank you, Loving LaFaye, I appreciate you so much.

It is important to know who you are in order for your life to have meaning and direction. Relationships have a life of their own composed of the mutual energy and purpose of two individuals. Thus it is equally important to know who you are together in order to steer your relationship in the right direction. I have found no tool better in acquiring this information than the astrological science of synastry. For this reason I endorse Loving LaFaye's book "Twin Flames: Journey to Divine Partnership."

Wow!!!! This is deep and right on point for the most part. I've always had a fondness for the planets and how they relate to who we are in terms of our character traits and personalities. Based on what I've read thus far, I can certainly say without a doubt, that this Personality Profile describes the incarnation known as Peter to the letter. Thank you ever so much for confirming my life's purpose through this divinely inspired information.

Had the most incredible reading last night from my friend and friend of Awakening Light International, LAFAYE! Look, she is a GIFTED SPIRITUAL intuitive practitioner. I, who walk in the Prophetic, am aware of many "seers," and yet only a few do I call to speak into MY life. SHE IS

Loving LaFaye

ONE! What a marvelous spirit and her southern accent is intoxicating and inviting!

Again, I wish to thank this gifted sistah for a most timely reading. It is so good to be one that is awakened to the fact that everything is spiritual and that God/Universe speaks in a variety of ways. Some are gifted and chosen to walk the path as "seer" and empower us with that which expresses our highest potential. It's no doubt that LaFaye is one of those sent by GOD!
